2013 MUNICIPAL BUDGET

Mr. Wielkotch reviewed the proposed budget worksheet, and explained that if the budget is introduced as it is the Borough will see a 2% increase over last year's budget. This would equate to an increase of \$65.49 for the average tax payer. The average home assessed in Norwood is \$549,852. There was an increase of \$61,700 on the appropriation side of the budget over last year's expenditures. The Borough increased its surplus in 2012 to \$876,000 from

\$501,000 for 2011. Mr. Wielkotz commended the governing body for their fiscal prudence in making the hard decisions in 2009. Since that time, the Borough has seen an increase in their revenues while maintaining minimal increases to the spending side of the budget. There are no furloughs or layoffs planned for 2013 and all programs are funded. The governing body reviewed the line item expenditures with no changes made. It was the consensus of the governing body to introduce the budget at the March 13 meeting with the budget hearing scheduled for April 24, 2013.

It was moved by Mr. Rapaport, seconded by Mr. Scott to open the meeting to the public for comment. All Council Members present voted for the motion. As no member of the public wished to be heard, it was moved by Mr. Brizzolara, seconded by Mr. Rapaport to close the meeting to the public. All Council Members present voted for the motion.

There being no additional business, it was moved by Mr. Brizzolara and seconded by Mr. Scott to adjourn the meeting. All Council Members present were in favor of the motion. The meeting adjourned at 7:45 a.m.

Respectfully submitted by,

Lorraine McMackin, RMC, CMC
