Motion of approval was made by Mr. Brizzolara, seconded by Mr. Rapaport and declared carried upon the affirmative vote of all Council Members present.

Mr. Ascolese explained the reasoning for the purchase of a used backhoe. When the Borough purchased the new one they were advised not to use it for loading salt. That process could be harmful to the machine. The purchase of the second hand front end loader with an articulating bucket would be used only for loading salt. It was moved by Mr. Ascolese, seconded by Mr. Brizzolara to approve the purchase of the second hand front end loader (Resolution 14:210). On the roll call vote, all Council Members present voted for the motion.

He reminded that there is an ordinance that prohibits parking on streets when they are snow covered. The DPW is looking forward to working with the Police Department again this season to keep the streets cleared of snow. Mr. Ascolese recommended that the Borough purchase a "smart phone" for the Foreman that would allow him to text and send pictures. Mr. Ascolese reminded that the phone would be used for business purposes only and not for personal use.

Mayor Barsa explained that some of his neighbors are not in favor of having the road paved and the Borough is not willing to undertake such an expensive project unless all four properties affected approve.

No other member of the public wishing to be heard, it was moved by Mr. Brizzolara, seconded by Mr. Rapaport to close the meeting to the public. All Council Members present voted for the motion.

Mayor Barsa wished everyone a very Happy Hanukah and Merry Christmas.

November 2014 Monthly Report

This year and especially this month has been extremely difficult completing job tasks. Most all work is prioritized leaving important clean community duties undone, buildings and grounds work incomplete, streets and road work pushed off. I have a staff consisting of nine employees to which one is out on workers comp. till December, another is on light duty possibly until next year, but realistically shorthanded by two. This department needs to grow along with its community with a required staff of 11 not including myself in order to maintain the needs of this Borough. We continue doing the best we can but are steadily falling behind with leaf collection, break downs are more frequent with our antiquated leaf vac equipment, all spare equipment parts were also lost in the fire making repairs that much harder. We don't have a mechanic either, so if we can't fix it its more down time till one can come repair it. We are also preparing for the holiday season installing and decorating holiday lights, banners, manger, tree and menorah. The weather also contributed in compromising leaf collection, rain to snow removal. Holiday time off has had an impact, Veterans Day, Thanksgiving and day after. Sure can't wait for this season to be over. We have a good supply of salt stockpiled from Bergen County deliveries and continue producing salt brine with 2000 gallons at the ready.

All new trucks have been fitted with narrow band two way radios and LED lighting. All of the old plows have been retrofitted to fit the new trucks as well as the older trucks standardizing all snow removal equipment for better efficiency.

All first of the month's inspections and documentations continue.

Pump station inspections and maintenance continue daily.

We continue to empty all clean community garbage cans every Monday.

All daily building maintenance and cleaning has been at a minimum during leaf collection.

Electronic (E WASTE) pick up was completed 11/19/14

Sweeping Livingston St. continues as needed, weekly

Brush pick up will resume mid-December.

Happy Thanksgiving and may all your holidays be safe
